

SAFe Scrum Master Certification

Scaled Agile Workshop

Instructor: Jacob Anderson or Hafsa Zulfiqar

About The SAFe Scrum Master

Are you curious about how to coach Agile teams to deliver maximum business value at scale? The SAFe® Scrum Master course covers the tactical skills to be an effective Scrum Master in a SAFe organization. And gives you the guidance and tools you need to work effectively in remote environments with distributed teams.

For Scrum Masters learning about their role in a SAFe enterprise context. Learn to facilitate Team and Program Level events for successful program execution, explore Scrum in the context of the entire enterprise, and become a servant leader and coach.

Class Logistics:

- › Eligibility To Take Scaled Agile SAFe Scrum Master Examination
- › 2-Day Online or In-Person Workshop
- › Class Eligible For 16 PDU's or SEU's
- › 1 Year Scaled Agile Membership
- › Reference Workbook Included
- › Qualify for the SAFe Advanced Scrum Master Certification

Are you ready to book this as a private course for your group?
