Leading SAFe Certification
Scaled Agile Workshop
Instructor: Jacob Anderson or Hafsa Zulfiqar

About Leading SAFe Workshop

For leaders of a Lean-Agile change initiative to develop a Lean-Agile Mindset and apply the principles and practices of the Scaled Agile Framework® (SAFe®) to support Agile Teams, programs, and Program Portfolio Management. Coordinate and lead a Lean-Agile transformation at enterprise scale.

Certified SAFe Agilist® offers you an introduction to the foundations of SAFe, and provides the principles and practices to drive your Lean-Agile transformation with confidence. The course also offers the guidance and tools you need to lead effectively in remote environments with distributed teams.

Class Logistics:

〉 Eligibility To Take Scaled Agile SAFe Scrum Master Examination
〉 2-Day Online or In-Person Workshop
〉 Class Eligible For 16 PDU's or SEU's
〉 1 Year Scaled Agile Membership
〉 Reference Workbook Included
